**SUBJECT:** Approve Resolution 6-2020: Authorizing an Increase in Regular Tax Levy

**BACKGROUND:**
Revised Code of Washington (RCW 84.55.120) requires a taxing district, other than the state, that collects regular levies to hold a public hearing on its budget. The hearing must include consideration on its proposed regular tax levy.

The port's 2021 budget proposes an increase of the regular tax levy of 0.602% including new construction and utilization of previously banked tax levy capacity. The public hearing on the 2021 budget was held on November 24, 2020.

**RECOMMENDATION**
That the Port of Vancouver Board of Commissioners approves and executes Resolution 6-2020, authorizing an increase in regular tax levy.

WHEREAS, the Board of Commissioners of the Port of Vancouver has met and considered its budget for the calendar year 2021; and

WHEREAS, the district’s highest lawful levy amount was $11,957,791; and,

WHEREAS, the population of this district is more than 10,000; and

NOW THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Port of Vancouver that an increase in the regular property tax levy is hereby authorized for the levy to be collected in the 2021 tax year. The dollar amount of the increase over the actual levy amount collected in the 2020 tax year shall be $71,985 which is a percentage increase of 0.602% from the previous year. This increase is exclusive of additional revenue resulting from banked capacity, new construction, improvements to property, newly constructed wind turbines, any increase in the value of state assessed property, any annexations that have occurred and refunds made. This is currently estimated at $216,300 in additional levy capacity.

BE IT FURTHER RESOLVED that a certified budget request or estimate is filed with the County Legislative Authority, separate from this resolution. As required by RCW 84.52.020, that filing certifies the total amount to be levied by the regular property tax levy. The form for this purpose is titled “Levy Certification” and is available through the Assessor’s Office. Certification is made in a manner prescribed by the County Legislative Authority.
ADOPTED by the Port of Vancouver Board of Commissioners on the 24th day of November 2020 and signed in authentication of its adoption.

SUBJECT: Approve Resolution 7-2020: Authorizing a Substantial Need Tax Levy

BACKGROUND:
Revised Code of Washington (RCW 84.55.120) requires a taxing district, other than the state, that collects regular levies to hold a public hearing on its budget. The hearing must include consideration on its proposed regular tax levy. The public hearing on the 2021 budget was held on November 24, 2020.

To determine the 2021 Tax Levy, the port is required to use the Implicit Price Deflator, or "IPD," that is created by the Washington Department of Revenue and reported by the Clark County Assessor’s Office. For 2021, the IPD is 0.602 percent. Since the IPD is below 1 percent, certain provisions in the law are triggered that were not required in 2020. These triggered provisions increase the port’s responsibilities for levy certification. The two additional responsibilities under Revised Code of Washington (RCW 84.55.010(1)) are:

- Pass a standard resolution, asking for a 100.602% increase factor over the prior year's levy; and
- Pass a substantial need resolution, declaring “substantial need” to increase the levy up to the full 101% over the prior year’s levy. This extra levy capacity will be banked for future use.

The port’s 2021 budget proposes an increase of the regular tax levy of 0.602% and utilization of previously banked tax levy capacity.

A RESOLUTION OF THE PORT OF VANCOUVER
BOARD OF COMMISSIONERS AUTHORIZING
A SUBSTANTIAL NEED TAX LEVY

WHEREAS, the Board of Commissioners of the Port of Vancouver has met and considered its budget for the calendar year 2021; and

WHEREAS, the district's highest lawful levy amount was $11,957,791; and,

WHEREAS, the Port Commission has determined that its general capital improvements and maintenance program costs have historically grown faster than the rate of its regular tax levy; and,

WHEREAS, RCW 84.55.010 provides that a taxing jurisdiction may levy taxes in an amount no more than the limit factor multiplied by the highest levy of the most recent three years plus additional amounts resulting from new construction and improvements to property, newly constructed wind turbines, and any increase in the value of state assessed utility property; and,

WHEREAS, the Board of Commissioners of the Port of Vancouver Taxing District has determined that, due to the substantial need for ongoing maintenance of port public assets the Board of Commissioners finds that there is a substantial need to increase the budget by 0.602 percent and to set the levy limit factor at 101 percent in the event this levy capacity is needed in future years.

WHEREAS, the population of this district is more than 10,000; and

NOW THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Port of Vancouver that a certified budget request or estimate is filed with
the County Legislative Authority, separate from this resolution. As required by RCW 84.52.020, that filing certifies the total amount to be levied by the regular property tax levy. SUBJECT: Approve Resolution 8-2020: Adoption of 2021 Final Budget

BACKGROUND:

The 2021 Port of Vancouver USA budget supports the port’s strategic goals and mission to maximize revenue and create economic benefit to our community. This budget reflects the collaborative efforts of the port commission and staff to identify available resources to meet the port’s key initiatives.

A budget workshop was held on October 27, 2020 to review the port’s recommended 2021 budget of the port district. Port of Vancouver staff presented the Board of Commissioners with an overview of proposed department budgets, 2021 capital program, financing and tax levy options to consider. The workshop was virtual and open to the public.

The budget is a plan of financial operation that involves estimating sources and uses of funding for the annual period of January 1, 2021 through December 31, 2021. As a management tool, the budget provides a guide to the conduct of operations and basis for evaluating actual results. Another important function of the budget is to identify and allocate resources for planned capital projects.

Additionally, the budget document fulfills a legal requirement for the purpose of levying port district taxes. The port’s budget estimates an increase of the regular tax levy of 0.602% and utilization of previously banked tax levy capacity.

RECOMMENDATION:

That the Port of Vancouver Board of Commissioners approves and executes Resolution 8-2020, adopting the 2021 Final Budget in the amount of $54,157,477.
