

2023 Maintenance Rate Sheet

The Port of Vancouver USA is one of the major ports on the Pacific Coast. Its competitive strengths include available land, versatile cargo handling capabilities, vast transportation networks, a skilled labor force and an exceptional level of service to its customers and community.

Labor Rates

- Weekly labor rates are based on a Monday – Friday work week. Call for labor rates based on skill set.
- Crafts available include Rail Group, Electricians, Laborers, Pipe Fitters, Carpenters and Operators.

Equipment Rental Rates

- Port of Vancouver equipment rental shall be used by tenants at their Port of Vancouver leasehold only.
- Renter assumes all liability with use of equipment. All equipment rented will be full of fuel.
- Please return full or you will be charged per gallon and per labor rate to fill.
- Mobilization of equipment ranges from \$32-\$150 each way.

* All equipment rentals subject to availability.
