Hello,

The Washington Department of Ecology (Ecology) received the following pre-filing meeting request on May 24, 2023. If a pre-filing meeting is needed, Ecology will be in contact with you. Otherwise, you are welcome to submit a Section 401 Request at least 30 days after the above date.

To view status updates and project details, please use the Aquatics ID number below on Ecology's Status Viewer. Please note that the project manager field will remain blank until we have confirmed that an individual WQC is required for your project.

**Aquatics ID number:** 142704

**Project Name:** Berth 8 and 9 Extension and Efficiency Improvements

**County:** Clark

Additionally, please visit Ecology's Clean Water Act - Section 401 Water Quality Certifications [webpage](#) for the newest updated forms and information regarding the Section 401 process. If you have further questions, please email us at: [ecyrefedpermits@ecy.wa.gov](mailto:ecyrefedpermits@ecy.wa.gov).

Thank you,
